

HOUSEHOLD HAZARDOUS WASTE COLLECTION DAY

SATURDAY, OCTOBER 14, 2023
8:00 AM – 2:00 PM

Wicomico County residents will have an opportunity to dispose of hazardous household waste at no charge on Saturday, October 14, 2023, at the Newland Park Landfill. The hours for “Household Hazardous Waste Collection Day” are 8:00 AM to 2:00 PM. The event is open to residents of Wicomico County and participants should bring a valid proof of residence such as a driver’s license. The Landfill will be accepting the following:

Gasoline (20 gallons max)	Gas/Oil mixes (20 gallons max)
Fuel	Acid Cleaners
Solvents	Automotive Fluids
Bleach	Ammonia
Batteries (all types)	Household Smoke Detectors
Fluorescent Bulbs (Non Green Tips)	Pool Chemicals
Dark Room Chemicals	Household & Lawn & Garden
Pesticides	
Insecticides & Herbicides	Painting Products
Compressed Gas Propane cylinders (30 gallons)	-Oil Based Paint
Paint Thinner	-Thermometer (mercury)
Turpentine	Wood Preservatives
Wood Stripping Chemicals	

The Landfill will *not* be accepting the following:

Business Industrial or Commercial Farm Waste	Explosives
Ammunition	Medical Waste
Radioactive Material	Tires
Asbestos	

Landfill officials suggest that participants pre-arrange large loads.
Empty fuel containers may be returned upon request and the staff will assist to unload Vehicles.

For more information, please contact the Newland Park Landfill at 410-548-4935.

NO LATEX PAINT will be accepted; Proper disposal is by adding sand or cat litter until it turns into solid, then you can dispose in the regular trash.
